# HABANA COLLECTION

La colección Habana se inspira en los colores y diseños tradicionales de las baldosas hidráulicas que ahora reviven con fuerza

Por sus colores, texturas y geometrías, es el material más artesanal y artístico que puedes colocar en una reforma. Básicamente, sus colores y sus patrones geométricos, son los que logran transformar cualquier espacio y aportar un toque muy personal

Sus diseños están inspirados en los azulejos que cruzaron fronteras y se convirtieron en Cuba, en 1886 formando parte de la nueva industria cubana.

Habana collection is inspired in the traditional colors and designs of Cement Tiles that now are strongly revived. Due to its colours, textures and geometries, it is the most artisanal and artistic material that you can place in a reform.

Basically, its colors and geometric patterns manage to transform any space and provide a very personal Touch. The designs are inspired in tiles crossed borders and Cuba became, in 1886.
